PLAINTIFF'S MOTION FOR COURT ORDER

Now comes the pro se plaintiff, Joseph P. Schmitt, and moves that this Court issue an order to the Clerk of Court to issue new **Summonses and Process Receipt and Return (FORM USM-285)** for each of the captioned defendants in this action.

As grounds thereof, plaintiff states the following under pains and penalties of perjury.

1. On June 7, 2006 Plaintiff received a package from this court containing summonses and process receipt and return forms for this action as well as 05-11603-NG.
2. The above noted package was clearly damaged to the extent that it was torn almost completely open and obviously had been subjected to the weather, specifically rain.
